latico®

Tulum, 4201

HACIENDA COLLECTION

Inspired by rustic leathers and sun-saturated hides of southern cultures, we love mixing our tumbled, imperfect softwash leathers in their rich hues with the textures + colors of our custom hair-on patterns.

Hair-on: Authentic cowhide with hair-on is tanned, dyed + dried in preparation for overlaying + imprinting with our custom animal and camo patterns.

Softwash: It's all in the wash! Raw leather is bathed + soaked, then tumbled + milled repetitively until a rich patina and softness occur. Leather acquires a deep soft sheen with wear.
